2 DETECTIVE GLEN: I am detective Glen, North Salt  
3 Lake Police Department, and I am interviewing Christian  
4 Peay.

5 A. Peay.

6 Q. Peay, with Morgan County Sheriff's Office.  
7 It is November 26, 2012, at 1:06 in the morning. All  
8 right, Christian. I understand that there was a chase,  
9 and an officer-involved shooting?

10 A. Yes.

11 Q. And we're just here to discuss your  
12 involvement, whatever that is.

13 A. I was the one who initiated the pursuit.

14 Q. I'm sorry, what?

15 A. I was the one who initiated the pursuit.

16 Q. Okay. So go ahead and tell me everything,  
17 start from the time you saw this vehicle you initiated  
18 the chase with, until it ended.

19 A. All right. As I was traveling on I-84 -- I  
20 can't remember the time right now -- traveling eastbound  
21 about mile marker 99, I observed a semi going westbound.  
22 As it was going by, I observed a turn signal turn on and  
23 a vehicle had all of its lights turned off passing the  
24 semi. And if I didn't see the signal, I wouldn't have  
25 seen the vehicle.

1 We continued going westbound. I was still the lead  
2 vehicle. The (inaudible) vehicle was behind me. I can't  
3 tell you how many were involved at that point. The  
4 vehicle took the toll road exit.

5 Q. The toll road exit?

6 A. Yeah, I guess it's Adams Avenue; I'm not  
7 sure. Took the toll road exit. Turned right. And then  
8 turned right again, and I believe it's on Cottonwood  
9 Road, Cottonwood Drive, I'm not familiar with the roads  
10 down there. Traveled at very slow speeds, about 30 miles  
11 an hour down this road. The vehicle stopped and started  
12 to turn left. And I believe that -- that's when he  
13 struck Sergeant Peay's vehicle. It did like a  
14 three-point turn. By that time I think all the tires  
15 were off the vehicle except one.

16 She started -- when she made a three-point turn,  
17 she stopped, facing me. I put my vehicle in park. I  
18 jumped out, pointed my duty weapon, as the other officers  
19 did too. I noticed the one on my left had his gun out,  
20 and the one on my right had his gun out, and I noticed  
21 Sergeant Peay also had his gun out. She then -- it  
22 appeared to me she looked right at me, put her truck in  
23 gear and gunned it at me and struck my vehicle. That's  
24 when I heard a gun shot. The driver, (inaudible) to be  
25 female. She put her hands to her face like she was

1 covering up her eyes. I wasn't sure if she was shot at  
2 that time. I thought she was just going, 'oh crap, I'm  
3 caught'.

4 One of the officers commanded her to put her hands  
5 in the air, she put her hands in the air. Then one  
6 officer tried to open the door. It wouldn't open I  
7 guess, and he broke the driver's door window with his  
8 asp.

9 Q. Who was doing this?

10 A. I'm not sure. It might have been a Weber  
11 County deputy.

12 Q. Just another officer?

13 A. I don't know any of these guys. All of them  
14 had their jackets on and so I couldn't identify --

15 Q. Okay.

16 A. -- what agencies most of them were from. I  
17 believe it was a Weber County deputy. He struck the  
18 vehicle window with his asp and shattered it. They  
19 pulled her out, cuffed her up, and that's when I noticed  
20 there had was blood on her shoes. She had a gun shot  
21 wound to the face.

22 Q. Okay. Did you help take her into custody?

23 A. No.

24 Q. Or another officer?

25 A. As the officers were getting her out of the

1 vehicle, I was still standing beside my vehicle, to the  
2 left of my driver's door with my gun pointing at her.

3 Q. To the left of --

4 A. Yeah, I was standing right beside my vehicle,  
5 left side of my vehicle.

6 Q. Okay.

7 A. Just right by my driver's door. (Inaudible)  
8 things out, I can't remember everything, it's like major  
9 tunnel vision and stuff going on. It was, like, very  
10 surreal. But when she put her vehicle in gear, she  
11 looked at me, I swear, she had the strangest look on her  
12 face. It's like -- I thought she wanted to do a suicide  
13 by cop, I really did. It was the strangest look I've  
14 seen on anyone's face. It was weird. That's what I  
15 remember more than anything, the look on her face, just  
16 so weird.

17 Q. Okay.

18 A. She's determined to get out of there and run  
19 my truck down. And I was -- I don't know, I guess she  
20 could have nailed me, I was standing right there.

21 Q. Where did she strike your truck?

22 A. The front bumper on the driver's side.

23 Q. With what part of her truck?

24 A. With the right front bumper, the right side  
25 of the front bumper, I believe.

1 Q. Okay. And what kind of weapon do you carry?

2 A. A Glock 40.

3 Q. Okay. What model?

4 A. Model 22.

5 Q. Okay. All right. And your magazines, do you  
6 load them to capacity?

7 A. Yes.

8 Q. So there's 15 rounds?

9 A. Yes.

10 Q. Okay. And your handgun is a full magazine  
11 plus --

12 A. Yes.

13 Q. Okay.

14 A. I remember thinking that, 'man, she's gonna  
15 slam my truck and push it into me and pin me against the  
16 car next to me.' That's what I was thinking, you know.

17 Q. Do you mind showing me, once you stopped, do  
18 you mind just kind of diagraming that on here?

19 A. Okay.

20 Q. Like draw the road and then just where you  
21 remember the vehicles being?

22 A. Okay. Here's the road, this would be my  
23 vehicle right here.

24 Q. Okay.

25 A. Her vehicle, you know, did like a three-point
